

Chemistry 212 – Problem set VI – Due Friday, April 18th

For those of you that have the 4th edition of the textbook, work on the following problems:

Chapter 16: 40 and 50.

Chapter 17: 33 and 36.

Chapter 18: 53 and 57.

For those of you with other editions ... sorry, you'll have to find someone with the 4th edition to get the problems numbers ☹
